

## Strategic partners BOLDT, IBEX Partners and Summit Strategy Group expand their global alliance to include Agora Public Affairs & Strategic Communications

29 November 2018

---

Agora Public Affairs & Strategic Communications has joined BOLDT, IBEX Partners and Summit Strategy Group in a strategic global partnership. With offices in Buenos Aires, Bogota, Mexico City and Medellín, Agora provides regional public affairs and strategic communications advice covering Latin America.

The partnership will provide clients with access to some of the most experienced communications and public affairs professionals in the industry, providing strategic counsel and developing winning campaigns that deliver results, globally.

In addition to providing public affairs and communications services, this partnership provides clients an edge in strategy across Europe, the U.S. and Latin America. Joining forces will forge new opportunities for clients and provide a global perspective matched with local implementation.

### *Key quotes:*

Jeremy Galbraith, Managing Partner, BOLDT:

“Our first clients have come to us for our global perspective. That is why we linked up with IBEX and Summit in the U.S. earlier this year and we are now joining forces with Agora in Latin America. We won’t be stopping here: more partnerships will be announced soon as we develop a truly global offering of senior strategic consultants who are able to counsel clients at the highest level and on some of the most challenging issues of today.”

Michael Law, Cofounder, IBEX Partners and CEO and Founder, Summit Strategy Group:

“As the world’s largest communications agencies hit the reset button, clients remain interested in top talent that can scale quickly across international borders. We stand ready to support current and future clients as they navigate global markets.”

Santiago Lacase, President and Partner Argentina, Agora Public Affairs & Strategic Communications:

“We are glad to be part of this network which will allow us to continue developing in the US and Europe with extraordinary professionals.”
